Our aim is to;

- **prevent and alleviate human suffering**
- **improve the situation of vulnerable people**

with absolute impartiality and **without any discrimination as to Gender, Nationality, Religion, Race, Class or Political beliefs.**

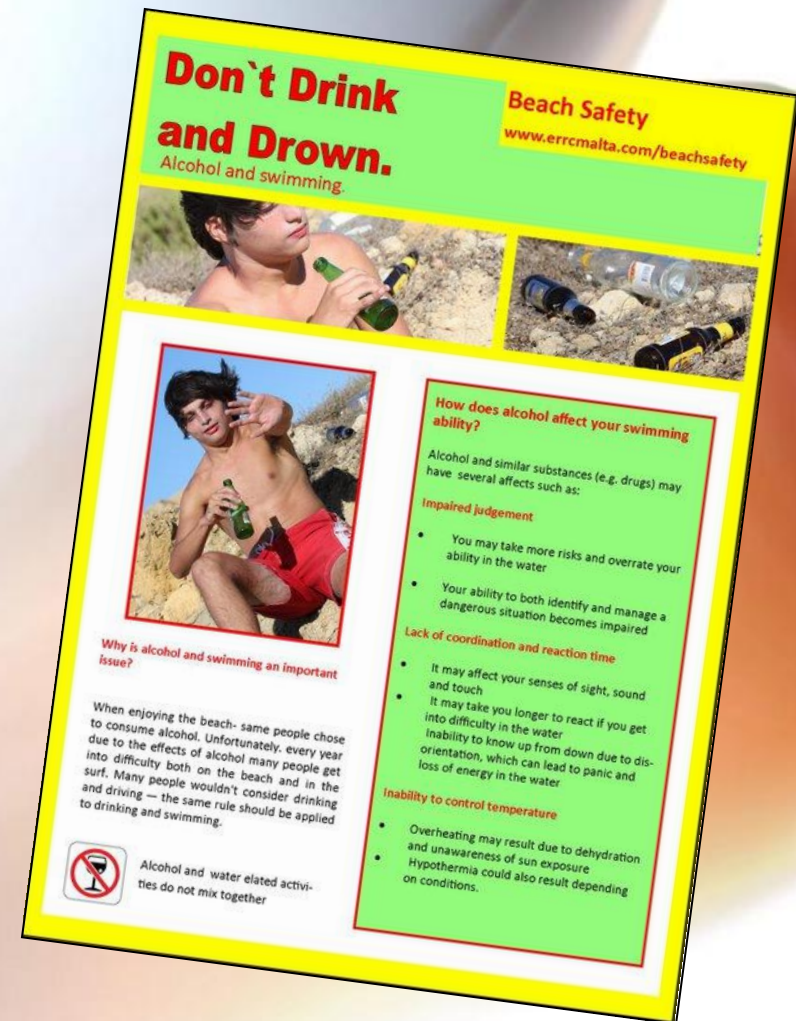

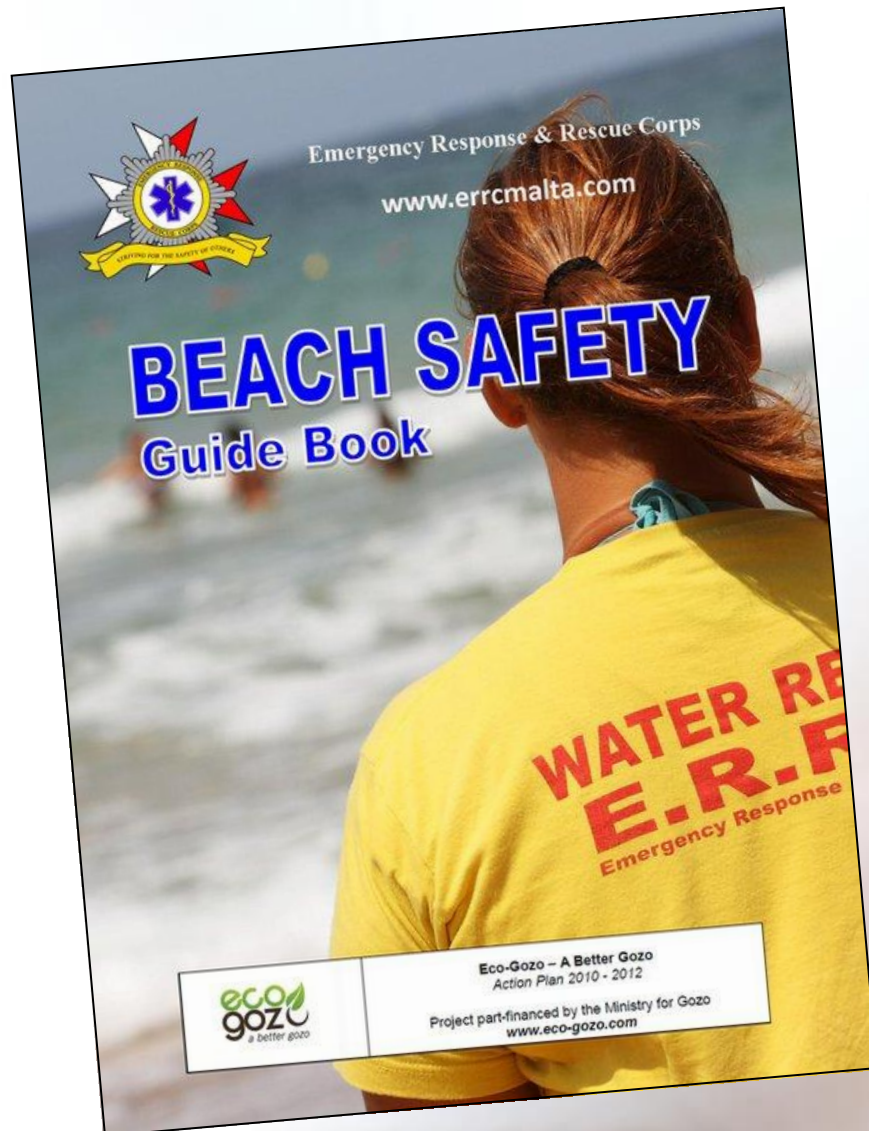

Educational material

...Volunteers are the
lifeblood of the E.R.R.C.
All these services that
we provide are only
made possible because
people elect to give
some of their free time
to the service of others.

• “ *Volunteering is much more than just a job. It is an opportunity to meet friends, learn new skills or put existing ones to good use. It is also a chance to be part of a team that will make a difference to people’s lives.* ”

The guys and girls at ERRC are great and deserve our appreciation and support. I had occasion to call on them twice recently (once on Christmas Day!). They came without hesitation and I cannot possibly thank them enough for their kindness, concern and consideration. Sadly my Partner who needed their help passed away this last week but I shall be forever in their debt.
